

## Reverse Distributor Registrants Table

### Updated December 2006

The following is an unofficial list of reverse distributors/returns processors and their telephone numbers. New registrations for reverse distributors/returns processors continue to be issued and changes in the registration information is likely to occur.

Callers inquiring about returns processors/reverse distributors should be referred to the appropriate local DEA office.

**NOTE:** DEA's Final Rule entitled, "Definition and Registration of Reverse Distributors" was published in the Federal Register on May 2, 2005, and became effective on that date.
